## **Los perros descalzos (Spanish Edition)** Antonio Ruiz-Camacho

En una noche como cualquier otra, José Victoriano Arteaga, el patriarca de una próspera familia de la ciudad de México, desaparece sin dejar rastro mientras maneja a su casa luego de un día de trabajo. Los Arteaga encuentran pocas respuestas, y cuando comienzan a recibir paquetes con pistas perturbadoras del paradero del abuelo, ellos comienzan su éxodo a distintas ciudades del mundo para tratar de rehacer sus vidas.

Las historias que presenta Antonio Ruiz-Camacho en este libro, escrito originalmente en inglés, traducido al español por el propio autor y aclamado por la crítica estadounidense, ofrecen una íntima y exquisita evocación de la soledad, el amor, la esperanza, y el miedo que puede unir a los familiares incluso cuando la violencia más indescriptible amenaza con destruirla. Una exploración asombrosamente original de las consecuencias de una guerra oculta, Los perros descalzos es una conmovedora elegía a la inocencia robada a cada familia golpeada por la tragedia. Un libro urgente, necesario y provocador sobre la realidad mexicana actual.
