Orphan of the Sun Gill Harvey

Thirteen-year-old orphan Meryt-Re lives with her aunt's family in the ancient Egyptian village of Set Maat, home of the pharaohs' tomb builders. When her uncle pressurises her to marry a dull stonecutter, she resists, and begs for guidance from the gods - but she's unable to decipher the message behind her vivid dreams. Then her cousin falls gravely ill, and Meryt's uncle, believing her to have turned the gods against him, banishes her from his house.

Other strange and suspicious activities are going on in the village, and there is unrest among the tomb workers. But it is not until she meets the village wise woman that Meryt can begin to unravel the meaning of her dreams and solve the mysteries surrounding her.

A romantic and pacy thriller that brings ancient Egypt to life.
