The Age of Jim Crow (Norton Documents Reader) Jane Dailey

**America's racial history has been marked by both hard-won progress and sudden reversals of fortune.**

*In The Age of Jim Crow*, Jane Dailey introduces readers to a fascinating collection of documents on race and segregation in America that were created between the end of the Civil War and the emergence of the Civil Rights Movement a century later. Organized around two themes, Dailey highlights the role of law in creating, maintaining, and ? ultimately ? helping to undo segregation. She also traces the effects of interracial sex and marriage as they shaped the era of Jim Crow. *The Age of Jim Crow* focuses throughout on sexuality and gender politics as they play out across the legal, social and economic, political, and cultural arenas.
